Hi, Leandro –				
You have been very genero	us in giving us Cytoscape netwo	orks to test wi	h. We've made good use	e of them.
them, I'd like to double-che	evelopers outside of our group and with you. While the use wou have a way of leaking out over for testing purposes.	ald be within t	he broader Cytoscape de	velopment
What do you think??				
Here's the list you've let us	use so far:
